Coach Evaluation

It was a pleasure coaching Alyssa, she has a good foundation to be a strong Outside Hitter on any team. Alyssa has a strong platform and is passing a lot of balls in the middle of the court leading her setter which will always make her team successful. Alyssa also does a great job setting out of the system. Lastly, Alyssa has a strong jump float serve. There is always room for growth so we suggest that Alyssa keep working on her approach and arm swing. Additionally her footwork in serve/receive and platform angles.

Thank you for all of your hard work and willingness to learn we hope to see you again soon!
